 - Obstacle Model Proposal

Handouts

- Design Proposal
- Obstacle Model Proposal
- More on www.aixm.aero site

The screenshot shows the homepage of the Aeronautical Information Management (AIM) website. At the top, there are logos for EUROCONTROL and the Federal Aviation Administration (FAA). The main header features the AIXM logo and a navigation path: Eurocontrol > FAA AIXM > Home. Below the header, there is a sidebar with a 'Home' link and a link to 'AIXM 5 - Design Review Meeting'. The main content area is titled 'Aeronautical Information Exchange' and includes a welcome message: 'Welcome to the AIXM portal.' Below this, there is a section for 'Forthcoming events' with a '[coming soon]' status. The event listed is 'AIXM 5 - Design Review Meeting' held from 07/02/2006 to 08/02/2006 in Washington, DC, USA. A concluding paragraph states: 'The purpose of the AIXM 5 Strategy and Technical Review meeting is to present the technical concepts of AIXM 5 in a public forum. Interested aeronautical data exchange stakeholders are encouraged'.

Admin stuff

- Lunch break
 - Cafeteria at the entry
- Toilets
 - Out of the room and right turn
- Emergency
